Summary

Analytical and detail-oriented Financial Analyst with 2.5+ years of experience in corporate finance, specializing in inventory accounting, revenue recognition, and financial reporting. Proven track record in enhancing process efficiency, ensuring compliance with IFRS, and delivering insights that support strategic business decisions. Proficient in SAP S4HANA, Excel, and Power BI with a passion for automation and continuous improvement.

Experience

HEWLETT PACKARD ENTERPRISE – Bangalore, India

Mar 2023 – July 2025

Financial Analyst

- Managed reconciliations for over \$50M in deferred revenue and inventory-related accounts, ensuring accuracy, compliance, and timely resolution of reconciling items.
- Delivered timely and accurate month-end/quarter-end closings for inventory and revenue accounting, reducing close cycle delays by 15%.
- Identified and resolved revenue discrepancies via SAP S4HANA analysis, contributing to a 98% data integrity rate.
- Assisted the Warranty & Labor Cost team by managing daily application logs, resolving data fallouts, and updating subsystem trackers across three global regions.
- Maintained strong relationships with stakeholders to ensure timely corrections, optimize account usage, and provide actionable suggestions related to reconciling items.
- Coordinated and communicated effectively with auditors, country controllers, and cross functional teams to address audit and QA queries efficiently and on time.
- Performed in-depth data analysis using Excel and collaborated seamlessly across Microsoft 365 tools including Teams, Outlook, SharePoint, PowerPoint, and OneDrive.
- Achieved 100% green metrics in quality assessments with no escalations.
- Mentored junior team members, providing guidance and support to enhance their skills and performance.
- Partnered with RPA team to automate tracker updates and reconciliation processes, significantly reducing manual effort and enhancing efficiency by 25%.
